

2010 WINTER OLYMPICS BID: North Shore Highway: -- World Journal B3, Nov. 19, 2001 -- (NORTHSHORE OUTLOOK)

Jim McLean, president of British Pacific Properties of West Vancouver, proposes a freeway system from Squamish to Sechelt. McLean says the proposal would revitalize the economies of communities that have been heavily reliant on a forest industry that continually sheds jobs, provide more affordable single family housing in beautiful areas that already have established communities, and can be done with relatively little impact on the environment.
